

SYNC titles will be delivered via OverDrive's Sora app, compatible with all types of computers, tablets, and smartphones. Once downloaded during each title's single week of availability, the audiobook remains the participant's, with no due date.

The first step is to register for SYNC at audiobooksync.com.

Next, you will need to either download the SORA app from either Apple App Store or Google Play onto your device or log onto the SORA website through a browser at <https://soraapp.com/welcome>.

- Open SORA and click on “I have a setup code” at the bottom of the screen
- Enter setup code: audiobooksync
- Enter email address you used to sign up for SYNC

Then each week, log into SORA and borrow the audiobooks!

These books are free and they do not expire from your SORA account. Each SYNC audiobook is featured in SORA for a window of 7 days. Titles are yours indefinitely once you “borrow” them. However, do be careful, if you return these books, they will be gone forever.

If you already use SORA through your school, you can still get these free Audiobooks.

You will need to add the SYNC program's library. Here are the steps:

1. In Sora, open the menu (in the top-right corner).
2. Select **Add a library**.
3. Search for **audiobooksync** and select the library from the results.
4. Enter the email address you used to sign up for SYNC.
